Powell Collins

Junior IT Support

ICT diploma finalist with hands-on IT support experience at KCB Bank branches and Computech Limited. Currently learning Python backend development. Reliable, quick to learn, and comfortable working both independently and within a team.

WORK EXPERIENCE

IT Support Intern | Computech Limited (assigned to KCB Bank, Kencom)

May 2024 – November 2024

- Reconnected 100+ employee workstations to the company domain after system migration, reducing login failures by approximately 90%
- Performed preventive maintenance on 50+ desktop computers including RAM upgrades and HDD-to-SSD migrations, improving boot speed by an average of 40%
- Diagnosed and resolved 15–20 software-related issues per week, applying system updates and patches proactively
- Monitored Cisco networking equipment for stability and replaced failing hardware components before they caused user disruption
- Worked both at head office and onsite at KCB Bank, delivering IT support under time pressure
- Documented recurring issues and solutions, helping the team reduce repeat ticket

EDUCATION

- Diploma in Information Communication Technology (ICT) | KCA University, Nairobi
expected completion: July 2026 (Final year)
